Forget him
Love him, leave him, forget him

Don't waste my time
With your sweet talking, lies
I've heard it all before

Did you think that you could have been
My divine philosophy
Take a look you're history
In my eyes

From now on I'll

chorus
Love him, leave him, forget him
He's not worth my time
Love him, leave him, forget him
I'm moving down my line

Forget him

Don't talk to me
I've played this game before
You're just not what I need
Did you think I'd be deceived
Fooled by your dishonesty
Take a look you're history
In my eyes

From now on I'll

chorus

Forget him (x 2)

Love him, leave him, forget him
He's not worth my time
(x 2)

chorus
