I've got a secret I've got to keep  
No turning back I'm in too deep  
I know it's so hard Coz I shiver  
I knew you were trouble from the moment we met  
Look in your eyes pushed me over the edge  
Can nothing save me  
When love bites

And I can't stop  
And I won't stop  
And I can't hold back

(chorus)  
Coz love bites and there's nothing you can do  
Like a lightning strike through me and you  
Is it obvious  
It's killing me  
You're breaking me  
When love bites there's no place left to go  
I can't fight this feeling in my soul  
Is it obvious  
It's killing me  
You're destroying me

Never made a wish that never came true

Never took a chance til I met you  
I know it's hard  
Coz I shiver  
Love it can move in mysterious ways  
Gets under your skin and it won't go away  
Can nothing save me when love bites

(chorus)

Oh will I get through this  
I need to know  
Coz you're so out of bounds  
Out of reach  
To me

(chorus)
