I seen you in the mirror when the story began
I fell in love with you, I love you mortal sin
Your brains are locked away but I love your company
I only ever leave you when you got no money

I got no emotions for anybody else
You better understand I'm in love with myself
Myself
My beautiful self

(chorus)
No feelings
No feelings
No feelings
For anybody else

I don't wanna your body in a runaround suit
You follow me around like a pretty pot of glue
I kick you in the head you got nothing to say
Get out of the way cos' I got to get away
You never realise I take the piss out of you
You come up to see me and I beat you black and blue
Okay
I send you away

(chorus)
I got no feelings
No feelings
No feelings
For anybody else

Ain't no moonlight after midnight
I see stupid people out looking for delight
But I'm so happy I'm feeling so fine
I'm watching all the rubbish, you're wasting my time
I look around your house and there's nothing to steal
I kick you in the brains when you get down to kneel
And pray
You pray to your god
Whoo yes it's that time

(chorus x 2)

I got no feelings
No feelings
No feelings
For anybody else
