Passing strangers
In the heat of the night
Hearts beat faster
Could this be love at first sight

(bridge 1)

I just took one look at you
And I can't believe it's true
There's something in my heart
Said I must have you

(chorus 1)

Heaven must have sent you
You know, you know
You must be one in a million
I love everything about you
You know, you know
You must be one in a million

Sweet sensation
When I look in your eyes
Such temptation
And I can't disguise

(bridge 2)

The way that you make me feel
And I know this love's for real
I want you day and night
Until the end of time

(chorus 1)

(chorus 2)

Heaven must have sent you
You know, you know
You must be one in a million
Show me what you can
I love everything about you
You know, you know
You must be one in a million
Tell me you'll be there

Heaven (x 4)

(bridge 1)

(chorus 1

(chorus 2 ad lib)
