Hey yeah yeah

I was walking down the street
(Do-wah do-wah)
When this boy started following me
(Oh yeah)
Now I ignored all the things he said
(Do-wah do-wah)
He moved me in every way

With his collar unbuttoned
On my side he was struttin'

He was really saying something
(Saying something)
Really saying something
(Saying something)
Bop bop shoo be do-wah
Bop bop shoo be do-wah

He flirted every step of the way
(Do-wah do-wah)
I could hear every word he'd say
(Oh yeah)
My resistance was getting low
(Do-wah do-wah)

And my feelings started to show

My heart started thumpin'
Blood pressure jumpin'

He was really saying something
(Saying something)
Really saying something
(Saying something)
Bop bop shoo be do-wah
Bop bop shoo be do-wah

He walked me to my door
(Do-wah do-wah)
I agreed to see him once more

(Oh yeah)
Lady like it may not be
(Do-wah do-wah)
But he moved me tremendously

Although he was bold
My heart he stole

He was really saying something
(Saying something)
Really saying something
(Saying something)
Bop bop shoo be do-wah
Bop bop shoo be do-wah
