Hope's dashed to the floor like shattered teenage  
dreams.

Boys living next door are never what they seem.

A walk in the park can become a bad dream

People are staring and following me.

This is my only escape from it all:

Watching a film or a face on the wall.

Robert de Niro's waiting

talking italian.

Robert de Niro's waiting

talking italian.

Robert de Niro's waiting

talking italian.

Robert de Niro's waiting

talking italian.

I don't need a boy

I've a got a man of steel

Don't come any closer

I don't wanna feel.

You're breathing

you're touching

but nothing's for free

I never want this to happen to me.

Don't try to change me

you're wasting your time

Now I've got something much better in mind.

Robert de Niro's waiting

talking italian. . . .

A walk in the park can become a bad dream

. . .

Robert de Niro's waiting

talking italian. . . .
