I can see everything from here tonight
And who knows my destiny up in the sky

I wanna ride, I wanna fly
I wanna see the 7 wonders of the world
I wanna live, I wanna die
I wanna see the heavens in your eyes

(bridge 1)
I feel U moving closer
I feel U inside me
The waiting will soon be over
And U will be mine

(chorus)
Cause U R my baby
Don't U, don't U feel it baby
Cause U R my baby
Won't U, won't U say it baby
Cause U R my baby
Take me in you arms and take me
Cause U R my baby
Love me, love me baby baby

U woke me from my underworld of dream
Your salty waters takes me in so deep

I feel U breathe, I'll never need
Access of water as they're rushing over me
The pain I feel it pleases me
It takes me up to the land of make believe

(bridge 2)
I'm tripping solely over
The edge of my mind
U got me going crazy
I'm lost in your eyes

(chorus)

(bridge 1)

Cause U R my baby

Cause U R my baby
Cause U R my baby
Don't U, don't U feel it baby
Cause U R my baby
Won't U, won't U say it baby
Cause U R my baby
Love me, love me baby baby
Cause U R my baby
Take me in you arms and take me
(ad lib)

(chorus)
