What your mother don't know
She won't mind
Her good advice was a waste of time
You wanna live fast
Cutting it fine
Make hay while the sun shines

(bridge 1)

No one there to say you're wrong or right
You've waited a lifetime
Burning all your bridges tonight

(chorus)

This is the wild life
It's the wild life
Wild life
This is the wild life
No stone left unturned
Jump in the fire you're gonna get burned
You might lose your way
When you come out to play
The wild life

I may be too young
But I've seen and done
Everything that they say is fun
I gotta find out for myself
In the end there's no one else

(bridge 2)

Every time I try to win I lose
I'm tired of waiting
Now I'm gonna make my own rules

(chorus)

(bridge 1)

(chorus ad lib)
