Sleep to dream
I am free
Praying for them
Angels speak
Can't quite hear
What they're saying

I'm so high above the clouds
Looking down on me
I would give you everything
If you could only see

(chorus)
But you are not me
You dream a different dream
But you are not me
It was never meant to be

?

? falling
Like the sun
Yesterday
?

I'm so high above the clouds
Looking down on me
I would give you everything
If I thought that you could see

(chorus x 2)

Im' like a flower, I need to feel the sun
I need to feel the love that wraps me up and keeps me
warm

(verse 1)

(chorus x 2)
