An angel's smile is what you sell
You promise me heaven, then put me through hell
Chains of love got a hold on me
When passion's a prison, you can't break free
You're a loaded gun
There's nowhere to run
No one can save me
The damage is done

(chorus)

Shot through the heart
And you're to blame
You give love a bad name
I play my part and you play your game
You give love a bad name
You give love a bad name

Paint your smile on your lips
Blood red nails on your fingertips
A school boy's dream, you act so shy
Your very first kiss was your first kiss goodbye

You're a loaded gun
There's nowhere to run
No one can save me
The damage is done

(chorus)
