Girl, the only thing that matters in my life  
Is that I'm down for you and treat you right  
You've got no call to treat me cold as ice

Ohh, girl, as long as I've been givin' my love to you  
You should be givin' me your love too  
But you just keep on actin' just like a fool  
You know it ain't cool

Uh don't be cruel, 'cause I would never be that cruel to  
you  
Uh no, oh oh, no, uh don't be cruel  
Uh girl, you need to change your attitude  
Uh no, oh, uh don't be cruel

Hey yo' Kimmy what's up with this attitude  
I thought I was bein' real good to you  
I treat you sweet, take you out at night  
But you never say thanks girl, that ain't right

I bought you diamonds even gave you pearls  
I took you for a cruise all around the world  
I treat you high post but you play me close  
And if I want to drink up you won't even toast

Girl, I work so hard for you from nine to five  
So you could have the finer things in life  
Since you're the kind that's never satisfied

Ohh, girl, as long as I've been givin' my heart to you  
You should be givin' me your heart, too  
But you just keep on actin' just like a fool  
You know it ain't cool

Uh don't be cruel, 'cause I would never be that cruel to  
you  
Uh no, oh oh, no, uh don't be cruel  
Uh girl, you need to change your attitude  
Uh no, oh, uh don't be cruel

From fancy cars to diamond rings  
I've just about given you everything

There's really not much I won't do for you  
I bought you twelve yellow roses and candy, too

I like to be up front and never play the back  
But the way you treat me girl is like a heart attack  
I'm a real troop trooper and with all the times  
That you were by my side diggin' dollars outta crock

Ohh, girl, as long as I've been givin' my love to you  
You should be givin' me your love, too  
But you just keep on actin' just like a fool  
You know it ain't cool, it just ain't cool

Oww! Uh don't be cruel

We used to hang out tough just kickin' around  
We discovered a love that had never been found  
You gave me your heart I gave you my mind  
But a true love affair we could never find

Although I want you bad I could let you go  
'Cause there's a lot of girls out there that won't say no  
But due to fact that I want you, Jackie  
I want you more than human eyes can see

But you had to start givin', tryin' to make a killin'  
Thought about the dollars I make and you were willin'  
To be with me Bobby B., but with a bad attitude I can't  
compete  
Now you know my name, now I know your game

You want to be with me you got to be the same way  
That another girl would be and if you wanna be with me

Uh don't be cruel, 'cause I would never be that cruel to  
you  
Uh no, oh oh, no, uh don't be cruel  
Uh girl, you need to change your attitude  
Uh no, oh

Uh don't be cruel, 'cause I would never be that cruel to  
you  
Uh no, oh oh, no, uh don't be cruel  
Uh girl, you need to change your attitude  
Uh no, oh
