### Verse 1

My love  
Your the only one that i live for  
Finally found someone that i die for  
Endlessly forever girl  
I adore the tender love you given to me

### Bridge

Hope i never wake up from this love dream  
Because I'm in another world that so free  
But look what you've done to me  
Cause I keep given my all to ya lady

### Chorus

I finally found  
The woman I need  
The ultimate world  
Of you and me  
And baby i feel  
Your love  
Let's make this forever  
And ever

### Verse 2

Incredible  
Show me a new way to give love  
Unconditional from my heart  
And I'll do anything to make you smile  
Smile, smile, smile for me

### Bridge

### Chorus 2x

Baby  
Break it down, break it down  
Just, just  
Just a little bit

### Bridge 2

I finally found  
I finally found someone

(2x)  
I finally found, finally found, finally found

Chorus  
I finally found  
The one i need (Let's make this forever)

(2x)  
I finally found  
The one I need (Let's make this forever and ever)

I finally found  
The one I need (Let's make this forever)

(2x)  
And baby i feel  
Your love  
Let's make this forever  
And ever
