-GIRL NEXT DOOR-

This is crazy, I mean, I meet the most beautiful girl,  
Come to find out she lives right next door to me  
I don't know what I'm gonna do  
This is tough on me  
I just gotta  
I just gotta talk to somebosy

Hey fellows, gather round  
Let me tell you bout a girl  
Who's blowin' my mind  
She's really new in town  
Fresh and lovely  
And ever so fine  
I said, "How do you do?  
There's never been another girl like you  
My heart just skips a beat  
Whenever you're near to me"  
She let me walk with her  
I thought it couldn't get any better  
But there was even more  
I found out she's the girl next door  
I want to be with her forevermore  
The girl next door, yeah  
I need to be with her

Now since I've been with her  
I found my whole world  
Is furnin around  
She never rocks the boat  
Yes she keeps it  
From runnin' aground  
Sometimes I can't believe  
That she only wants to be with me  
It seems like such a crime  
Not to share such a lovely find  
I never get too much  
I'm livin' every moment for her touch  
(But I get all I need)  
Because she lives next door  
(Girl next door) Next to me (Scat) baby

(Girl next door) The girl next door  
(Girl next door) (Scat)  
I wanna be be be be with you  
(Girl next door) Together yeah  
Hey yeah yeah, now tell me, baby  
(Girl next door)

What could she have in store  
The girl next door  
Her very essence, her presence  
I do adore  
And bein' this close  
Is drivin' me wild  
I love her personality  
Her style, her smile  
My life is bright  
Once more again  
Our lives are hot  
Our souls will blend  
I love that girl  
More than all the world  
She's like priceless diamonds  
Cultured pearls  
She took me by surprise  
Right before my eyes  
She came to me  
Like a vision on earth  
I didn't have to look  
I didn't have to search  
I'll never bore  
My girl next door  
Each other's body  
We'll explore  
Our love will grow  
Forevermore

Girl next door, she caught me peekin'  
Oh, you naughty boy!  
Girl next door
