Visit "[Humpin' Around](#)" on [MotoLyrics.com](#)

When you trust someone  
And you know you're on their back  
You ain't got no trustin' about you

And you claim that you  
Don't care where I'm at  
You've given me reason to doubt you

Say you trust someone  
Why ya callin' all around  
Think I've got some dip on the side

Girl you don't trust no one  
And you constantly in doubt  
You lose the game  
If you play that way

Get up off me back  
Save your heart attack  
Ain't nobody is humpin' around

No matter what they say  
No it ain't that way  
Ain't nobody humpin' around

When you love someone  
And you want to love 'em right  
Got to get more lovin' about cha

When you know  
That you're holdin' on too tight  
Soon they will be leavin' without you

Say that you love someone  
Why you callin' all my friends  
Thinkin' I got somethin' to hide

Girl you don't love no one  
You don't know what love's about  
You lose the game  
If you, if you play that way

Get up off me back  
Save your heart attack  
Ain't nobody is humpin' around

No matter what they say  
No it ain't that way  
Ain't nobody humpin' around

Girl when you love someone  
You don't call on everybody  
Ain't nobody foolin' around

And the more I think about it  
You'll lose all your clout and  
You lose the game baby  
If you play that way

Back to the BB Brown  
Back to the BB Brown  
Back to the BB Brown

My name is Brown, that's what I'm called so  
Don't try to step on me wrong or you'll fall slow  
'Cuz I just want to kick soul to ya  
Maybe, baby, take control of ya, just like I told ya

I wanna roll on the tip that's moving  
Able to make you move and groove  
And leave you like ooh when I touch ya  
Give you so much of the feeling of the deck  
That I'm dealing when I rub ya up and down  
Yo Stylz kick it

Well, I know it's been a while  
Since you heard a change in our style  
So what I've come to do is kick you something fly and  
new  
A change, different from the typical a bit more than  
regular  
Not like the others original, 'cuz originality  
And creativity add it up together equals the B.B.B.  
posse  
Yeah, we've in the house, yo kick it

Get up off me back  
Save your heart attack  
Ain't nobody is humpin' around

No matter what they say  
No it ain't that way  
Ain't nobody humpin' around

Get up off me back  
Save your heart attack  
Ain't nobody is humpin' around

No matter what they say  
No it ain't that way  
Ain't nobody humpin' around

Get up off me back  
Save your heart attack  
Ain't nobody is humpin' around

No matter what they say  
No it ain't that way  
Ain't nobody humpin' around
