{Debby you know, I really treasure your friendship
And I really treasure yours Bob
You know good friendships are hard to find these
days, in the 90's
Yes, they are
I'm glad I got a friend in you
Hey, and I'll be there}

{And did you know Bobby? A friend sticks closer than a
brother
Ya Debby, and that's what I call it, a true friendship
Well, can we sing about this
Let's do it
I'd love to}

I promise to stay through the rain
And I told you I'd stick close through the pain, didn't I
say?
I promise to go the extra mile
And when you're feelin' sad, will volunteer the smile

'Cause I'm your friend
(I'm your friend)
And I'm there, just say when
(Love you forever)
Yes, I'm your friend
(Friend)
And I will love you till the end, ooh

So now even though there'll be times we won't agree
But the love we share, I know will always be there
(Let that be your prayer)
I will tell you when right, yes when wrong, yes when
wrong
'Cause it's the truth I love and always take along

'Cause I'm your friend
(I'm your friend)
And I'm there, just say when
(Love you for ever)
I'm your friend
(I'm your friend)

And I will love you 'til the end

You can count on me, baby
(I'm your friend)
Yes, I'll be there, just say when
(Love you for ever)
I'm your friend, yeah
And I will love you 'til the end

For we know, love is patient and love is kind, yeah
And this friendship, I treasure God gave, it's mine
He made us friends and I will love you 'til the end

Yeah, yeah, yeah, yeah, yeah
I will, I will stay through the rain
I will stay through the rain, yeah
Never will I fail

{But you know I will be there, right
I know you will, yeah alright
You know I will be there right
You better be, I, I gotta be
You know why right, yeah
Why? Because of this }

For we know, love is patient and love is kind
This friendship I treasure, so glad it's mine
And He made us friends, yes, He did
And I will love you till the end

You can count on my, and I'll be there
(Friend)
And I'll tell you when
(Love me forever)
Yes, I'll love you forever
(Friend)
And forever and ever 'cause I am your friend, yeah,
whoa, yeah
(Friend)

(Love me forever)
Love me forever
(Friend)
Through the good and bad times
Through the happy and sad times

I will love you, I'll be right there for you
(Friend)
Stick right by your side, right by your side
Yeah, yeah, yeah, yeah, yeah, yeah
(Love me forever)

I'm lovin' for ya
(Friend)
I'll be right there

{These are singing friends}

Whoa, friends, whoa, friends
Love me forever
Friends
Love me forever
