Yeah, you want somethin' done?
You gotta do it yourself, yeah I think
This is gonna be another one of those
Funky ones, heart, soul, d-d-dance

If I was you and you were me, you'd wanna be winning
If you want something bad yo, you gotta wanna give
your all
'Cause I believe so much in we and know we're not
kidding
If you feel the same as me yo, you gotta want to take
the ball

Now I find out that nothing is given
Don't know where the cards may fall
All I know is that we've gotta get it
We've gotta make it on our own

Well, I guess we're gonna have to take control
(All on our own)
If it's up to us, we've got to take it home
(All on our own)

Now can't you see that all we need to be a go-getter
Gotta make your own decisions, you gotta go for what
ya know
It comes a time in our lives, you wanna be bigger
Gotta keep, keep on pushing, you gotta learn to take
control, yeah

Now I find out that nothing is given
Don't know where the cards may fall
All I know is that we've gotta get it
We've gotta make it on our own

Well I guess we're gonna have to take control
(All on our own)
If it's up to us, we've got to take it home
(All on our own)
Gotta, gotta take it home, gotta, gotta, gotta take it
home

Heart, soul, d-d-dance

Too hot to handle, too cold to hold
They're called the Ghostbusters and they're in control
Had 'em throwin' a party for a bunch of children
While all the while the slime was under the building

So they packed up their group, got a grip, came
equipped
Grabbed they proton packs off their back and they split
Found about Vigo, the master of evil
Try to battle my boys? That's not legal

(Oh, we, oh)
They're in control, y-y-ya know it
(Oh, we, oh, all on our own)
I said they're in control, y-y-ya know it
(Oh, we, oh, oh, we, oh)
Y-Y-Ya know it
(All on our own)

Well, I guess we're gonna have to take control
(All on our own)
We got, we got, we got, we got, we got, we got
If it's up to us, we've got to take it home
(All on our own)
Too hot to handle, too cold to hold
They're the Ghostbusters and they're in control

Well, I guess we're gonna have to take control
(All on our own)
Gotta, gotta, take it home, gotta, gotta take it home
If it's up to us, we've got to take it home
(All on our own)
Gotta, gotta, take it home, gotta, gotta, gotta take it
home

(Oh, we, oh, oh, we, oh)
Y-Y-Ya know it
(All on our own, oh, we, oh)
(Oh-we-oh)
Y-Y-Ya know it
(All on our own)
Well, I guess we're gonna have to take control
