yeah!  
eh yo this one i want to dedicate to me wife!  
baby you know i love you right  
listen to this  
whoa whoa whoa  
eh yo ya'll listen

verse 1  
ohhh wat a beautiful lady  
such a joy devine  
and it feels so good to know  
that the lady's all mine  
i fell in love with her  
from the very start  
and just the thought of that lady  
touches my heart

and i just got to let her know  
that i really love her so!  
she's the one that i adore  
she's all i need!

Chorus  
She's my only lady  
she's the other side of me  
when the world gets me down  
she's the only one i need  
She's my only lady  
she's the other side of me  
when the world gets me down  
she's the only one i need  
She's all i need!

verse 2  
A love so tender and sweet  
with a mind that so unique  
That I can't help but wonder  
what she thinking sometimes  
although she may not say it

and although she may not show it  
she has her own way of letting me know

how she feels

And when the times get tough  
And the going gets rough  
i still love her HAH!  
'cause we were meant to be  
She's All I Need!

Chorus

Alex play the ??????

spoken:  
you know baby I  
I really care for you  
no matter whats been said or whats been done  
in our lives  
we have to make this work!

2x  
She is all that i need  
when the world gets me down  
(My only lady)  
She will always be there  
when theirs no one else around  
(I Hope You'll Always Be Around)

(Baby I Love You)

Chorus till fade/Bobby Adlibs
