I'm coming, I'm coming, baby
I'm coming, help me

Make your baby understand
Don't try love, why don't
You take your man

Love can be a two-sided thing
You never get more than
You can bring, hey

I'm coming, I'm coming, baby
Ooh, help me
I'm coming, I'm coming, baby

I'm gonna love you
Don't wanna break your heart
Back up and get ready and
Give yourself a brand new start

I said I'm coming, I'm coming, baby
I'm coming, help me, baby

I can't knock it
Cause I need to rock it
This day or night
Just say it was a long day
I missed you the wrong way?

I'm coming, hey, coming, baby
Come, come, come, come
Coming, I'm coming, baby, hey

Oh, help me, ooh
Oh, baby, I'm coming, yeah
I'm coming, yeah

I can't knock it
I need to rock it
This day or night, baby

This day, this day, this day

I need to rock it, baby
This day, I'm coming
I'm coming, baby, ooh
Yeah, yeah, yeah

I'm coming, I'm coming
Hey, coming, baby
