I need help, hey
I can't do it alone, no
I need help, hey
Can't do it alone, no
How can I feel it
When I'm doing it wrong
I need to feel it
I need to feel it
I need to feel it
I need to feel it, feel it
I need to feel it, feel it
I need to feel it
How can I get respect of yours
It's your thing, oh, Lord
What you say
It's a brand new day
I'm not stopping
Just show nothing
Got to find, so lay with that
I need help, oh
Can't turn you loose, no

I need help, oh, no

Can't turn you loose, hey

Feel like a rooster

Before he goes to roost, yeah

I need to feel it

I need to feel it

I need to feel it

I need to feel it, feel it

I need to feel it, feel it

I need to feel it

Mustang Sally

You know she feel it

She's so fine

You know she feel it

Feel it, feel it, feel it

Help me feel it

I've got to feel

You've got to feel

Do y'all feel, do y'all feel

Help me feel it

Help me feel it

Help me feel, help me feel it

I wanna feel it

You've got to feel

You've got to feel

You've got to feel

Help me feel it

Help me feel it

Help me feel it

Help me feel it

It's your thing, oh, Lord

What you say

It's a brand new day

I'm not stopping

Just show nothing

Got to find, so lay with that

Feel it, feel it, feel it

Help me feel it

Help me feel, help me feel it

Help me feel, help me feel it
