In the hall
They got a rocking band
Come on, baby
Let me take your hand

Let's stomp
Oh, girl, let's stomp now
Your sure look fine
Gonna make you mine
Let's stomp

Hey, baby, put your stompers on We'll do a dance that's really gone

Let's stomp, yeah, let's stomp You know you're looking good Like I knew you would Let's stomp

Hey, baby, it's me and you We're gonna stomp The whole night through

Let's stomp
Oh, girl, let's stomp
You know I love you so
I'll never let you go
Let's stomp

Hey, baby, put your stompers on We'll do a dance that's really gone

Let's stomp
Hey, girl, let's stomp now
You know you're looking good
Like I knew you would
Let's stomp

Hey, baby, just me and you We'll do the stomp The whole night through Let's stomp Little girl, do the stomp You know I love you so I'll never let you go Let's stomp
