He went away, you called to say
Your love for him was through
So we went out, now I find out
What you said wasn't true

Your boyfriend's back and
You say that I'm in trouble
(Hey la, hey la, your boyfriend's back)
And if I see him
I should cut out on the double
(Hey la, hey la, your boyfriend's back)

Cause you've been telling him lies
Trying to put the blame on me
(Hey la, hey la, your boyfriend's back)
And when I tell him
He'll believe me, wait and see
(Hey la, hey la, your boyfriend's back)

Yeah, you're one who played around
Now he's gonna put you down

He told he'd be gone
For a long, long time
(Hey la, hey la, your boyfriend's back)
And you thought your little game
Would work out fine
(Hey la, hey la, your boyfriend's back)

But now he's back
He'll find out you've been untrue
(Hey la, hey la, your boyfriend's back)
Cause I'm gonna tell him
Just what you tried to do
(Hey la, hey la, your boyfriend's back)

Yeah, you're gonna be in trouble
Now watch your trouble double

I'm gonna prove that you really
Were untrue, wah ooh, wah ooh
I'll show him the pictures and the

Letters too, wah ooh, wait and see

Your boyfriend's back

You better take a vacation

(Hey la, hey la, your boyfriend's back)

And find another way

To save your reputation

(Hey la, hey la, your boyfriend's back)

Yeah, you better find a place to hide

Now that he's found out that you lied

Yeah, it's your turn to get hurt

Little girl, you shouldn't flirt

Now, go find a place to hide...
