What's the reason
I'm not pleasing you

Why don't we get along
Everything I do is wrong
Tell me, what's the reason
I'm not pleasing you
(Not pleasing you)

I may kiss you but then
You don't say, kiss me again
Tell me, what's the reason
I'm not pleasing you
(Not pleasing you)

If you must keep me in doubt
How will I know what to do
You can change me about
I'll be what you want me to

Though I've tried and I've tried
Still, you're never satisfied
Tell me, what's the reason
I'm not pleasing you
(Not pleasing you)

Why don't we get along
Everything I do is wrong
What's the reason
I'm not pleasing you

If you must keep me in doubt
How will I know what to do
You can change me about
I'll be what you want me to

Though I've tried and I've tried
Still, you're never satisfied
Tell me, what's the reason
I'm not pleasing you

(What's the reason

I'm not pleasing)
What's the reason
I'm not pleasing you
