HONEY

See the tree how big it's grown
But friend it hasn't been too long it wasn't big
I laughed at her and she got mad
The first day that she planted it was just a twig
Then the first snow came and she ran out
To brush the snow away so it wouldn't die
Came runnin' in all EXCITED
Slipped and almost hurt herself and I laughed 'til I
cried

She was always young at heart
Kind of dumb and kind OF smart and I love her so
And I surprised her with a puppy
Kept me up all christmas eve two years ago
And it would sure embarrass her when
I came home from working late 'cause I would know
That she'd been sittin' there and cryin'
Over some sad and silly late late show

And Honey I miss you and I'm being good
And I'd love to be with you if only I could

She wrecked the car and she was sad
And so afraid that I'd be mad but what the heck
Though I pretended hard to be

Guess you could say she saw through me and hugged
my neck
I came home unexpectedly
And caught her crying needlessly in the middle of the
day
And it was in the early spring
When flowers bloom and ROBINS sing she went away

And Honey I miss you and I'm being good
And I'd love to be with you if only I could

One day WHEN I was not home
While she was there (REMOVE AND) all alone the angels
came

Now all I have is memories
Of Honey and I wake up nights and call her name
Now my life's an empty stage
Where Honey lived and Honey played and love grew up
And a small cloud passes over head
And cries down ON the flower bed that Honey loved

And see the tree how big it's grown
But friend it hasn't been too long it wasn't big
And I laughed at her and she got mad
The first day that she planted it was just a twig
