Only you can make  
This world seem right  
Only you can make  
The darkness bright

Only you and you alone  
Can thrill me like you do  
And fill my heart  
With love for only you

Only you can make  
This change in me  
For it's true  
You are my destiny

When you hold my hand  
I understand the magic that you do  
You're my dream come true  
My one and only you

Only you can make  
This change in me  
For it's true  
You are my destiny

When you hold my hand  
I understand the magic that you do  
You're my dream come true  
My one and only you
