You can walk on the water  
Drown in the sand  
You can fly off a mountaintop  
If anybody can

Run away, run away  
(Run away, run away)  
It's the restless age  
Look away, look away  
(Look away, look away)  
You can turn the page

Hey, buddy, would you like to buy a watch  
Real cheap? Here on the street  
I got six on each arm  
And two more round my feet

Life is a carnival  
Believe it or not  
Life is a carnival  
Two bits a shot

Saw a man with the jinx  
In the third degree  
From trying to deal with people  
People, you can't see

Take away, take away  
(Take away, take away)  
This house of mirrors  
Give away, give away  
(Give away, give away)  
All the souvenirs

We're all in the same boat ready to float  
Off the edge of the world, the flat old world  
The street is a sideshow  
From the peddler to the corner girl

Life is a carnival  
It's in the book  
Life is a carnival

Take another look

Hey, buddy, would you like to buy a watch  
Real cheap? Here on the street  
I got six on each arm  
And two more round my feet

Life is a carnival  
Believe it or not  
Life is a carnival  
Two bits a shot
