Soldier of fortune
He's a man of war
Just can't remember
What he's fighting for
Start a revolution
Right before your eyes
When you hear the big bang
Don't you be surprised

C

C/E
Hear the bells ring in
F
Let the bells ring out
D
Keep them ringing, ringing

Can't predict the future
Can't forget the past
Feels like any moment
Could be the last
All you believers
Standing inside this room

Can't you see it coming
Shooting out across the moon

Save this place
In the valley of tears
By the river of time
From weapons race
In the Book of David
In the holy Bible
When it's laid to waste
It will be written
By the children of Eden
I said save this place
And the Holy Ghost

Showdown at big sky
Darkness at high noon
Showdown at big sky
That day may be soon
People, people
Can you hear the sound
From every village and every town
Let the bells ring out
Hear the bells ring in
Let the bells ring out
Keep them ringing, ringing

Save this place
In the valley of tears
By the river of time
From weapons race
In the Book of David
In the holy Bible
When it's laid to waste
It will be written
By the children of Eden
I said save this place
And the Holy Ghost

Showdown at big sky
Darkness at high noon
Kiss tomorrow goodbye
That day could be soon
Give us strength
Give us wisdom
And give us the morals
Let the bells ring out
Hear the bells ring in
Let the bells ring out
Keep them ringing, ringing
Let the bells ring out

Hear the bells ring in
Let the bells ring out
Keep them ringing, ringing
