If your memory serves you well
We're going to meet again and wait
So I'm going to unpack all my things
And sit before it gets too late

No man alive will come to you
With another tale to tell
And you know that we shall meet again
If your memory serves you well

This wheel's on fire
Rolling down the road
Just notify my next of kin
This wheel shall explode

If your memory serves you well
I was going to confiscate your lace
And wrap it up in a sailor's knot
And hide it in your case

If I knew for sure that it was yours

And it was oh so hard to tell
And you know that we shall meet again
If your memory serves you well

This wheel's on fire
Rolling down the road
Just notify my next of kin
This wheel shall explode

If your memory serves you well
You'll remember that you're the one
That called on them to call on me
To get you your favors done

And after every plan had failed
And there was nothing more to tell
And you know that we shall meet again
If your memory serves you well

This wheel's on fire

Rolling down the road
Just notify my next of kin
This wheel shall explode
