D Em7 D G

We can talk about it now

A

It's that same old riddle only starting from the middle

D Em D G

I'd fix it but I don't know how

A

Well, we could try to reason but you might think it's
treason

G

One voice for all

F E7 A

Echoing across the hall

Bm G

Don't give up on father clock

A D A

We can talk about it now

D Em D G

Come, let me show you how

A

To keep the wheels turnin' you've got to keep the
engine churnin'

D Em D G

Did you ever milk a cow

A

I had the chance one day but I was all dressed up for
Sunday

G F

Everybody, everywhere

E7 A

Do you really care

Bm G

Pick up your heads and walk

A D G7

We can talk about it now

C E7 F

It seems to me we've been holding something
underneath our tongues

C E7

I'm afraid if you ever got a pat on the back

F G

It would likely burst your lungs

A E7 A E7

Woh, stop me, if I should sound kinda down in the
mouth

A E7 A

But I'd rather be burned in Canada than to freeze here
in the south

D Em Dm G

Pulling that eternal plough

A

We've got to find a sharper blade or have a new one
made

D Em D G

Rest awhile and cool your brow

A

Don't need it, no need to slave, the whip is in the grave

G F

No salt, no trance

E7 A

It's safe now to take a backward glance

Bm G

The leaves have turned to chalk

A D A D

We can talk about it now,

A D

We can talk about it now
