Today I started loving you again

Today I started loving you again  
I'm right back where I've really always been  
I got over you just long enough to let my heartache  
mend  
Then today I started loving you again

What a fool I was to think I could get by

With only these few million tears I cried  
I should have known the worst was yet to come  
And that crying time for me had just begun  
Cause today I started loving you again...  
Then today I started loving you again
