And you know what we about  
Lights out, Lights out

And you know what they about  
Lights out, Lights out  
Pool party skinny dippin'  
With they ass and titties out

Brand new gucci  
Look at my guccis  
Never again I'm an asshole  
Bitch absolutely  
Bass kickin' out the trunk  
Sounds like I kidnapped bruce lee  
I'm webbie on the bitch  
Gimme that coochie  
Aye girl aye girl  
I just wanna stick the tip in ya  
Gettin' head on the yacht while  
I'm deep sea fishing  
The big city hoes  
With them track star legs  
Couple minutes and they ready  
Hop up out the microwave  
Bobby light in the house  
Drama in the back

Pool full of nimphos  
Time to attack  
Group sex group sex  
And I'm third dealer  
Middle finger tickle ya  
Shawty till ya dizzy yea  
Now put me in your mouth  
Yummy yummy like a twizz-a-la  
Fantasy factory  
Sippin on a daquari  
Mudd wrestlin' strippers  
With two mo on the back of me  
Time to get dirty  
Bobby tell em what it's bout to be

Lights Out, Lights out  
Got a hundred dirty girls  
And you know what we about  
Lights out, Lights out  
Got a hundred dirty girls  
And you know what they about  
Lights out, Lights out  
Pool party skinny dippin'  
With they ass and titties out  
Lights out, Lights out,  
Pool party skinny dippin'  
With they ass and titties out  
Lights out

Yeah Yeah Uhh  
I got a dirty girl  
A real flirty girl  
Ya thirty one but ya look like a dirty girl  
I saw you earlier  
Beggin for a drank  
Said I met you last spring  
Ya hair is a little curlier  
Sure I recognize that derrier  
Fake tan fat can face like a terrier  
Naw she ain't a ten or nine either  
But she better with the brain than a science teacher  
And she gotta be call her what you wanna  
But she getcha so dirty like the bottom of some  
wallabies  
You got a few girls  
Me I keep a colony  
Enough for thirty deep  
Picture me and drama beats  
Come and getcha face painted like it's halloween  
Trick or treat  
Treat her like a trick

Bitch follow me  
To my house take a seat on my couch  
Now get you outta that blouse  
And put some meat in ya mouth  
It's lights out

Lights Out, Lights out  
Got a hundred dirty girls  
And you know what they about  
Lights out, Lights out  
Got a hundred dirty girls  
And you know what they about  
Lights out, Lights out  
Pool party skinny dippin'  
With they ass and titties out  
Lights out, Lights out,  
Pool party skinny dippin'  
With they ass and titties out  
Lights out

You in Bobby's world  
You don't know where that's gonna go  
The lights gonna show  
And deep inside ya mind  
Cause ya just a hoeeee  
But let's be real  
Ya ass and ya titties right  
You wanna get it girl  
Step into the light
