Ev'rybody doin' that dance

They call 'The Madison'

But I'm gonna teach you a dance

That has never been done

The wildest dance

That-a you've ever seen

And the name of this dance

Is the 'Booty, Booty Green'

You shake it to the east

Shake it to the west

Shake it to the one

That-a you love the best

Now, put your hand

On your hip

And let your backbone slip

Put your hand on your hip
And let your backbone slip
You shake it to the east
Shake it to the west
Shake it to the one
That-a you love the best
Now, booty green
Hm-um, booty green
Hm-um, booty green
You shake it to the east
Shake it to the west
Shake it to the one
That-a you love the best
Now, calm yo'self
Ah, but that's right
Now put yo' hand in mine
'Cause you'll have a swingin' good time
That's right
Ah, people work out
Booty Green
Well, well, now that you're doing this dance
Called the Booty Green
You know it's the wildest a-dance
That you've ever seen
You shake it to the east
Shake it to the west

Shake it to the one
That-a you love the best
Put yo hand on yo hip
And let your backbone slip
Put yo hand on yo hip
And let your backbone slip
Ah, that's right
Now, come on!
Put yo' two feet together
That's right
Ah, now
Now Booty Green, a little bit
Ah, but you're doin' just right
Ah, but that's the Booty Green
Umm, yeah, that's the Booty Green
That's right
Now, put yo' hand on yo' hip
Uh-huh
Now, let yo' backbone slip
FADES-
Ah, but that's the Booty Green.
