(I need someone)

(I need someone)

I need someone

(I need someone)

To care for me

(To care for me)

To hold me close

(To hold me close)

And so tenderly

(So tenderly)

I need a love

(I need a love)

So kind and true

(So kind and true)

(Oh yeah, yeah, yeah)

How I need you

I need someone

(I need someone)

To walk with me

(To walk with me)

And I need someone

(I need someone)

To talk to me

(To talk to me)

Tell me my darling

(Tell me little darling)

What shall I do?

(What can I do)

(Oh yeah, yeah, yeah)

How I need you

My days are lonely

(do-do-do)

My nights are so cold

(do-do-do)

From wanting you only

(do-do-do)

To have and to hold

(Have and to hold)

Yes, I need someone

(I need someone)

To be my wife

(To be my wife)

To have and to hold

(Have and to hold)

For the rest of my life

(Rest of my life)

Please take my love

(Please take my love)

Sincere and true

(So kind and true)

(Oh yeah, yeah, yeah)

I need you

I need you

I need you

I just wanna tell ya, baby

(I need you)

To have and hold

(I need you)

I could tell you the greatest story, baby

(I need you)

That's never, never, never been told

(I need you)

And like everybody needs a rain

(I need you)

Whoa, like we need the mornin' sun

(I need you)

If ever, everybody need somebody, baby

(I need you)

Well, don't you know I need you?

(I need you)

Whoa-oh, I need it so bad, baby

(I need you)

FADES-

Whoa, and I'm with you always

(I need you)

Whoa-oh, in case you just don't know

How I feel about cha, baby

(I need you).
