Your magic hands
Your loving eyes
Your kissable lips
Make my heart realize

I'm in love, I'm in love
And I know it's true
'Cause who couldn't fall
For irresistible you

I don't know
What you've got
But it's got me
And I'm hooked

Like a fish in the sea
You make angels call from above
You could make the
Devil fall in love

It's true, yeah
Irresistible you

Oh, come on
Let's dance awhile
I wanna talk
I wanna talk to you, honey child

'Cause you've been blessed
And you're much too much
There's a wonder of a love
In your touch

Don't ever fret
Don't you worry 'bout me
I'll never forget
How much you mean to me

I'll love you, I'll love you
My whole life through
But tell me, who couldn't fall
For irresistible you

Don't ever fret
Don't you worry 'bout me
I'll never forget
How much you mean to me

I'll love you, I'll love you
My whole life through
But tell me, who couldn't fall
For irresistible you
