Why am I treated so bad
Tell me, why am I treated so bad
I'm all alone as I sing this song
Hear my call, won't you please come home

The more I do, you make me cry
Why you treat me so bad

Why you treat me so bad
You know that I love you, baby
Still you left me all alone
Won't you please come home

I'm all alone as I sing this song
Hear my call, won't you please come home
Why you treat me so bad

Why you treat me so bad
Why you treat me so bad
Why you treat me so bad
Why you treat me so...
