Takes so long for
The day to go by
Whenever you're away

Can't hardly wait
Till I see you tonight
Let's watch this clock
Speed up the hand of time

Baby, maybe
Some things will change
But this one remains the same
And I know it will cause it's
The way I feel about you

[CHORUS]

Every time I think a happy thought
I think of you and your la la love
It's because I'm in love with you
Anytime I want the best in love
I think of sharing your la la love
It's because I'm in love with you

Things ain't quite the same
Without the sparkle of your eyes
Tonight, a lonely night

I promise you that we'll be together
Girl, believe in me
I would never let you down

Baby, maybe
Some things will change
But this one remains the same
And I know it will cause it's
The way I feel about you

[Repeat CHORUS 2x]

Girl, you know you drive me crazy
(We can share our la la love)
(We can share our la la love)

Don't move
(We can share our la la love)
Only time will tell
(We can share our la la love)

Oh, baby, maybe
Some things will change
But this one remains the same
And I know it will cause it's
The way I feel about you

[Repeat CHORUS]

Let's share our la la love, sing it
(We can share our la la love)
Yeah, just you and me
(We can share our la la love)
(We can share our la la love)

So good to me, baby
You're so sexy, now's the time
(We can share our la la love)
We can share our la la la la la

[Repeat CHORUS 2x]
