With The Vancouvers

Malinda, Malinda

Malinda's the girl (girl)  
Who came to my world  
And made my interest  
In all other girls stop

Malinda's a dream (dream)  
Beauty to the extreme  
Malinda is the cream of the crop

So many guys in love  
With my Malinda (they can't get her)  
You ought to see the presents  
Others send her

Trying to make her surrender  
Surrender them some of that tender  
Love she's giving me (Malinda)

Oh, but she doesn't know  
She'll never go  
She's where she'd rather be

In the arms of a man  
Who fits in her plan  
(Fits into her plan)  
She lets them know that man is me

So many guys have  
Tried for my Malinda  
(But they can't get her)  
From the Casanovas  
To the real big spenders

But all they do is offend her  
Offend Malinda and send her  
Calling out to me  
In a lover's speed  
Love me tenderly

(Malinda) oh  
(Malinda, I love Malinda)  
I love Malinda  
(Yeah, Malinda Malinda)  
(I love Malinda)  
Ooh, I love that girl (yeah)

Ain't gonna let no  
Jill or Jane or Brenda  
(Any one of those girls)  
Come between me and my Malinda

I'll never let another girl hinder  
The chance that Malinda's gonna  
Spend her every night and day  
Satisfy this day  
In love with me this way

(Malinda, Malinda, I love Malinda)  
Oh, she only has eyes for me (yeah)  
(Malinda, Malinda, I love Malinda)  
Yeah, she gives up all the  
Other guys for me (yeah)

(Malinda, Malinda, I love Malinda)  
She is mine, all mine  
That's the way it was meant to be
