Shorty been eyein me
She lookin like she thinking about tryin me
She want it she can't take no more
I'm about to take her to my spot
Ima get it hot, she gonna turn around and let me

Beep beep beep beep beep
She goin let me
Beep beep beep beep beep
I am tear it up when I
Beep beep beep beep beep
She goin let me
Beep beep beep beep
Ima have her screamin like
Go go go go go go
Ima have her screamin like
Go go go go go go
Ima tear it up

Excuse me miss but sexy can I
Take you to my crib
Make love on my piano
Yea you know me lil shorty from Atlanta
I wanna do some things to you
Touch your body make you get naughty
Say my name when I beep beep beep
We can do it in the pool or the jeep jeep jeep
Cuz girl you know your turning me on

Shorty been eyein me
She lookin like she thinking about tryin me
She want it she can't take no more

Tell me can we get it on tonight
Lights camera action I'll play director
Turn you out let me sneak a peak
Turn you out on the late night creep
Aint playin no games tonight

Shorty been eyein me
She lookin like she thinking about tryin me
She want it she can't take no more

I can tell the way she watchin me
She love the way I swag out
Got enough to go around
Might as well pass it out
She said she like the way I work her out till she passin
out
Wanna be with a star well mama I'm a astronaut
Let her lick the wrapper I call that the jaw breaker
If her back was the law then call me a law breaker
Love the way she roll her hips
Is like she on the bean shoppin
Make her lose her boy just like she on the scream
machine
She said my cavalli cologne be turning her on
And she a fiend because my black snake be makin her
moan
Like beep beep beep beep beep
All night we gon freak freak freak freak freak

Shorty been eyein me

She lookin like she thinking about tryin me
She want it she can't take no more
I'm about to take her to my spot
Ima get it hot, she gonna turn around and let me

Beep beep beep beep beep
She goin let me
Beep beep beep beep beep
I am tear it up when I
Beep beep beep beep beep
She goin let me
Beep beep beep beep
Ima have her screamin like
Go go go go go go
Ima have her screamin like
Go go go go go go
Ima tear it up

Ima do it just like that
