(1st verse)

you make me weak  
you strengthen me  
you do everything in between  
your so much more than what i wished for  
so glad that i belong to you

(Chorus)

i never felt this way  
if im inside a dream,  
dont wake me up cuz it feels so good  
im inside a dream cuz i never felt this way  
dont wake me up cuz it feels so good

(2nd verse)

you are the wind beneath my wings  
now i can soar above the clouds  
when i am down, you pick me up  
and place my feet on solid ground  
why do you smile when noones around  
peaceful energy when im touched by you

your a goddess from above, came to me to love  
angel in the skies to protect me from harm

(Chorus) repeat\*2

i never felt this way  
if im inside a dream,  
dont wake me up cuz it feels so good  
im inside a dream cuz i never felt this way  
dont wake me up cuz it feels so good

why do you smile when noones around  
peaceful energy when im touched by you  
your a goddess from above, came to me to love

angel in the skies to protect me from harm

(Chorus) repeat till end
