Verse: 1

See you round the way hanging with your girls
I wish I could be one of them I wish I could be in your
world
Beautiful as any summer day
Sexy as you wanna be but I get this feeling
When you come around.

Chorus:

Every time you come around (yea) I get weak
Cause I want you lady,
Every time you come around (Ooh wee) my heart
Skips a beat,
Wanna look into your eyes constantly
Lady, yea lady yea yea yea yea

Verse: 2

Got a jones in my bones just for you
I've never felt this way before and I can't show you how
I feel
I can only say so many words,
It's like you got some kind of hold on me it's a certain
feeling when you come around,
Time and time I told myself I'm gonna say something
when I
See you on the boulevard I'm not gonna be so hard,
Gotta be myself cause it feels like I'm real shook on the
dip
My boys gon think I'm slippin
What is happening.

Chorus:

Every time you come around (yea) I get weak
Cause I want you lady,
Every time you come around my heart
Skips a beat,
Wanna look into your eyes constantly
Lady, yea lady I think about you baby (lady)
Say lady lady

Bridge:

Time and time I told myself I'm gonna say something
when I
See you on the boulevard I'm not gonna be so hard,
Gotta be myself cause it feels like I'm real shook on the
dip
My boys gon think that I'm slippin
What is happening. (Oooh Baby)

Chorus:

Every time you come around I get weak (I get weak)
Cause I want you lady,
Every time you come around (Ooh wee) my heart
Skips a beat,
Wanna look into your eyes constantly
Every time you come around I get weak
Cause I want you lady, (Cause I want you baby)
Every time you come around my heart
Skips a beat, (every time you come around me)
Wanna look into your eyes constantly (I just wanna be
with you babe)
Every time you come around I get weak,

But I can't say nothing no no
Baby all I do is think about you
When I go to sleep at night
When I wake up your on my mind
Oooh girl Oooh girl girl girl girl
I wanna be with you
Every time you come around
Boom boom my heart just keep beatin
Yea e yea yea ho oh
I get so weak in my knees
I just wanna I don't kno
What can I do I'm so confused
Baby girl tell me what to do I get weak.
