Every little bit hurts
Yes, you're teaching me slowly
Every little bit hurts
Ah, but I'm learning fast

Wanting you was my mistake
How much can I take
If my heart breaks
How long can I last
Every little bit hurts

It's all over town
That you're letting me down
Slow and easy

But no one's around
To count all my tears
When they fall

A fool that I am
I come running
When you say you need me

But what do I gain
Ah, nothing but sweet
Sweet pain

Every little bit hurts
When I think of tomorrow
Every little bit hurts
'Cause I know you'll be gone

But your heart is gonna pay
Sure as you're born
There'll come a day
You're gonna say
Every little bit hurts

It's all over town
That you're letting me down
Slow and easy

But no one's around
To count all my tears
When they fall

A fool that I am
I come running
When you say you need me

But what do I gain
Ah, nothing but sweet
Sweet pain

Every little bit hurts
When I think of tomorrow
Every little bit hurts
'Cause I know you'll be gone

But your heart is gonna pay
Sure as you're born
There'll come a day
That you're gonna say
Every little bit hurts

Aw, every little bit hurts
Aw, every little bit hurts
Mmm, very little bit hurts
