"Hot & Heat"

Visit "[Hot & Heat](#)" on [MotoLyrics.com](#)

Everyday I think about how sexy you really are,
As I speak it gives me the chills,
Makes me wanna move you here
Dont be shy mommy tell daddy what's on your mind.
Do you wanna roll between my sheets?
If you do don't hesitate, just say...

Hook(x2)

Tell me you want from me,
I'll do it anyway you want me to,
I got that body hot & heat,
This is what I'm feeling the same way too.

Lipgloss popping, sexy walking
Got me thinking Wow...
I'll meet you anywhere you want girl,
But I prefer to take you home girl.
You whispering, now speak up clearly,
Don't you be afraid,
I'll take it nice and slow
And be real gentle... promise baby

You sitting all alone, you don't have to be alone
We both hot, both hot, call me on the phone
Come and participating,
Don't tease me to get you here.
I'm waiting at the door,
looking at the window, looking at the window
Clothes on the floor
I'm contemplating, what I've gotta do to you to get
here...

Hook(x2)

Tell me you want from me,
I'll do it anyway you want me to,
I got that body hot & heat,
This is what I'm feeling the same way too.

Tell me you want from me, (Telll mee...)

I'll do it anyway you want me to,
I got that body hot & heat,
This is what I'm feeling the same way too.

Get here somehow, somehow
Cause I want your body now
Tonight's the night, don't fake on me,
I've been waiting on it
I've set the mood for you
The jacuzzi can goes too
The lights are dim low
Don't forget the Marleau
It's going down for real

You sitting all alone, you don't have to be alone
We both hot, both hot, call me on the phone
Come and participating,
Don't tease me to get here.
I'm waiting at the door,
looking at the window, looking at the window
Clothes on the floor
I'm contemplating, what I've gotta do to you to get
here...

Hook (until the end..)

Tell me you want from me,
I'll do it anyway you want me to,
I got that body hot & heat,
This is what I'm feeling the same way too.
