[Verse 1]

It's the kinda thing i can't explain
maybe i'm loosing my sanity
something bout the way your body taste to me
like a scoop of my favourite ice cream
since the first day u came to my team
this whole thing has been one big erotic dream
i'm no jodici but i'm a fiend
just want you girl just want you

[Chorus]

ever since you put that thing on me girl
i can't get enough of your love girl
i get so excited when we touch, incredible
ever since you put that thing on me girl
i'm such a fiend for your love
i get so excited when we touch
when u put that thing on me

ever since u put that thing on me girl i can't get enough

[Verse 2]

i know u just love me but one more round
it's the bout the way you put it down
i used to be a player but now i'm gone
to the tear drop bottom huggin in that thong
u know just how to care of your man
forget the club bless me with a private dance
Silhouettebutter girl
your the shhh that's why i love you

[Hook]

tell me how do you do that
when you do that
when you wiggle that but for me
how such a mystery
a good feeling
you nicknamed me daddy baby
why out of all those girls
it had to be you
now i'm so turned out baby
why i can't go on without you girl

[Chorus x2]

ever since you put that thing on me girl
i can't get enough of your love girl
i get so excited when we touch, incredible

ever since you put that thing on me girl
i been such a fiend for your love
i get so excited when we touch
when u put that thing on me

ever since u put that thing on me girl i can't get enough

[Verse 3]
