[Verse 1]

Oh baby i've been watching you,  
On the low girl i've been jocking you  
Looking further up the road,  
I want you for my own  
Oh you're such a dime piece,  
Like a diamond a hot commodity  
You're exactly what i need in my life.

[Chorus 1x]

So if i can't have you, i just can't settle, settle  
I don't want nobody else, i just can't settle, settle  
If i can't have you, i just can't settle, settle  
I don't want nobody else, nobody else.

[Verse 2]

If you got a boyfriend, i'm a take you from your  
boyfriend  
He can't treat you like a queen like me.  
Stabilize you emotionally and surprise you with the  
finer things  
All i need is a chance to come to you  
You got me like whoa whoa whoa all messed up in my  
head  
Whoa whoa whoa at nite i can't sleep in my bed  
You got me like whoa whoa whoa outta pocket like  
Whoa whoa whoa i don't know what to do if i can't have  
you.

[Chorus 2x]

If i can't have you, i just can't settle, settle  
I don't want nobody else, i just can't settle, settle  
If i can't have you, i just can't settle, settle  
I don't want nobody else, nobody else.

[Bridge 2x]

Promise I'll treat you right got to have you  
Be by your side all day and nite girl i need you.

[Chorus 2x]

If i can't have you, i just can't settle, settle  
I don't want nobody else, i just can't settle, settle

If i can't have you, i just can't settle, settle  
I don't want nobody else, nobody else.

[Outro]

I don't want nobody else, nobody else

If i can't have you

But you...

Can't settle

Oh no

Just can't settle

(Instrumental Plays Til It Fades)
