*[Verse 1:]*

Never have I wanted  
someone like this before  
Now we are all alone  
let me explain it more  
A little romance girl, is all that's on my mind  
Tonight we could fly so high  
I'll do all the things you like

*[CHORUS:]*

(If its all right, can I...)  
Come lay next to you girl  
(If its okay, can I play...)  
And climb into your world  
(I know its late, but I can't wait)  
I need to feel you now  
This is my LOVE DREAM

*[Verse 2:]*

Time after time girl, these thoughts race through my  
mind  
When I'm asleep girl, I dream ya body's next to mine  
I wanna wake up to ya smile and look into your pretty  
eyes  
I'm glad you fell off that cloud and now your here with  
me now

*[CHORUS 2x:]*

(If its all right, can I...)  
Come lay next to you girl  
(If its okay, can I play...)  
And climb into your world

(I know its late, but I can't wait)  
I need to feel you now  
This is my LOVE DREAM

*[HOOK:]*

If its alright, can I...  
If its okay, can I play...  
If its alright, can I...  
If its okay, can I play...

I know its late, but I can't wait  
If its okay, can I play...  
This is my LOVE DREAM

*[CHORUS:]*

(If its all right, can I...)  
Come lay next to you girl  
(If its okay, can I play...)  
And climb into your world  
(I know its late, but I can't wait)  
I need to feel you now  
This is my LOVE DREAM

If its alright, can I...  
I just wanna need you, baby  
If its okay, can I play...  
I know its late, but I cant wait (cant wait)  
This is my LOVE DREAM

Girl anything  
Any complication  
Everybody, I just wanna letcha  
I've been dreaming about this girl  
OH BABY  
OH BABY
