Bobby Valentino - Might Not Be Lyrics

[Verse 1]

Don't run away
When love is staring you in your face
When the night's cold
I wanna be the one you hold
I've been searchin'
Believe girl I'm lonely
So tired of yearnin for what I've found in you

[Chorus]

I might not be what you want me to be
But I know one thing
I can fulfill your dreams
Just take my hand you'll find romance
'cause I wanna be your man, I wanna be your man!

[Verse 2]

Tell me baby
I hope you love the way that I
I make you happy
When your sad and want to cry
Nobody's perfect
Everybody has their faults girl
Just give us a chance
And our love can go on and on and on...

[Chorus x2]

I might not be what you want me to be
But I know one thing
I can fulfill your dreams
Just take my hand you'll find romance
'cause I wanna be your man, I wanna be your man!

[Verse 3]

Oh right...
Ooo baby I've waited so long (so long)
I got your six, I got your ice
Tell me baby whats wrong? (what's wrong?)
Say you'll love me
Say you need me

For always, and we will be together

[Chorus x3]

I might not be what you want me to be

But I know one thing

I can fulfill your dreams

Just take my hand you'll find romance

'cause I wanna be your man, I wanna be your man!
