No Smoke Without Fire (1988)

Lyrics: Hank Wangford/ Music: Bobby Valentino

Ain't no smoke without a fire
Ain't no joke being called a liar
If I know that if ain't true
Why'd they say those things about you
They tell me I'm a fool for you're desire
Ain't no smoke without a fire

Ain't no fire without a flame
And I'm not saying you're to blame
Sometimes one and one ain't two
And the only thing to do
Is say good bye - and start again
Ain't no fire without a flame

Ain't no smoke without a fire
Ain't no fire without a flame
The thing my friends are telling me
Sound like a crying shame
And oh oh oh my darling
If you're messin' round again
Ain't no knife can cut be deeper
Ain't no wound that feels no pain

Ain't no smoke without a fire
Ain't no joke being called a liar
If I know that if ain't true
Why'd they say those things about you
They tell me I'm a fool for you're desire
Ain't no smoke without a fire

Ain't no smoke, smoke, smoke, smoke, smoke
Without a fire
Ain't no smoke without a fire
Ain't no joke being called a liar
If I know that if ain't true
Why'd they say those things about you
They tell me I'm a fool for you're desire
Ain't no smoke without a fire

Ain't no fire without a flame

And I'm not saying you're to blame
Sometimes one and one ain't two
And the only thing to do
Is say good bye - and start again
Ain't no fire without a flame

Ain't no smoke without a fire
Ain't no fire without a flame
The thing my friends are telling me
Sound like a crying shame
And oh oh oh my darling
If you're messin' round again
Ain't no knife can cut be deeper
Ain't no wound that feels no pain

Ain't no smoke without a fire
Ain't no joke being called a liar
If I know that if ain't true
Why'd they say those things about you
They tell me I'm a fool for you're desire
Ain't no smoke without a fire

Ain't no smoke, smoke, smoke, smoke, smoke
Without a fire
