Bobby Valentino
"Only Human"

Baby girl, I wish you knew
How you helped me make it through
Every single morning of the day

Hey, don't ever let go of my hand
'Cause on your love I truly depend
From the bottom of my heart, these words I say

When I'm hurt that's when I need your love
When I'm crying, girl, I need your love
'Cause I'm not afraid to admit I'm only human, oh yeah

When I'm crying I need to be in you arms
When I'm hurt that's when I need your arms
'Cause I'm not afraid to admit I'm only human, oh yeah

Really what I am trying to say
I'm going through something that's hurting me
I need your healing hands all over me

Oh yeah, to ease my mind and comfort me
To cheer me up, I'm in disbelief
See you feel my pain 'cause your crying too
That's why I love you, baby

When I'm hurt that's when I need your love
When I'm crying, girl, I need your love
'Cause I'm not afraid to admit I'm only human, oh yeah

When I'm crying I need to be in your arms
When I'm hurt that's when I need your arms
'Cause I'm not afraid to admit I'm only human, oh yeah

When I'm hurt that's when I need your love
When I'm crying, girl, I need your love
'Cause I'm not afraid to admit I'm only human, oh yeah

When I'm crying I need to be in your arms
When I'm hurt that's when I need your arms
'Cause I'm not afraid to admit I'm only human, oh yeah

I feel the hurt releasing me

What you give I'm taking it
I feel brand new, oh yeah

I've gather my thoughts, I'm under control
Keep holding my tight, please don't let go
I feel your heart beating with mine right on time

When I'm hurt that's when I need your love
When I'm crying, girl, I need your love
'Cause I'm not afraid to admit I'm only human, oh yeah

When I'm crying I need to be in your arms
When I'm hurt that's when I need your arms
'Cause I'm not afraid to admit I'm only human, oh yeah

When I'm hurt that's when I need your love
When I'm crying, girl, I need your love
'Cause I'm not afraid to admit I'm only human, oh yeah

When I'm crying I need to be in your arms
When I'm hurt that's when I need your arms
'Cause I'm not afraid to admit I'm only human, oh yeah

That's when I need your love
That's when I need your love
That's when I need your love
That's when I need your love, oh yeah

When I'm hurt that's when I need your love
When I'm crying, girl, I need your love
'Cause I'm not afraid to admit I'm only human, oh yeah

When I'm crying I need to be in your arms
When I'm hurt that's when I need your arms
'Cause I'm not afraid to admit I'm only human, oh yeah
