Wha-what's your phone number?

What's your phone number?
Take my phone, put it in, then it's on, mama.
Can I catch you at the crib?
What's your home number?
I got the best phone sex in the world.
So if your ready girl.
Put it in for me. (Beep beep beep beep beep beep)
Put it in for me. (Beep beep beep beep beep beep)
Put it in for me. (Beep beep beep beep beep beep)

I'm off in the club, like, shawty, what's up?
What you sipping on? Let me put it in your cup.
Got your hair pulled isup, swagg turned isup.
You the best thing I done seen in the clubisup.
(So what's up?) You know I'm feeling you girl.
(So what's up?) I got my ringer turned up.
(Get up, get up. I'm looking for my number one caller.
So, baby, won't you holler?)
