Verse1:

When you sit at home looking out the window watching
the rainfall there's no one to call you got the t.v. on and
the popcorn's cold all my girls are gone and i feel left
out an it makes me wanna cry can i find the answer to
why love keep passing me by

Bridge:

Love is like the sunshine when you expecting it to rain
and love is like a redlight when you think it's gonna
change

Chorus:

I don't wanna rush love but time waits for nobody i'm
hoping love will find me i'm thinking i should hold on
i'm tired of waiting anticipating i don't wanna rush love
but time waits for nobody i'm hoping love will find me
i'm thinking i should give up i'm tired of waiting
somebody save me

Verse2:

I wonder why all the good guys seem to pass me by
maybe cuz when i look for love it jus seem so hard to
find when i reminise on old relationships i've had some
ups and downs they say you learn from your own
mistakes but thats not helping me now

Bridge:

The sunshine when you expecting it to rain and love is
like a redlight

when you think its gonna change

Chorus:

Rush love but time waits for nobody i'm hoping love will
find me i'm thinking i should hold on i'm tired of
waiting anticipating i don't wanna rush love but time
waits for nobody i'm hoping love will find me i'm
thinking i should give up i'm tired of waiting somebody
save me

Verse3:

I don't wanna be alone anymore i just wanna be in
someone's arms who excites me and co rights me
forever i will wait for love if love will wait for me i'll
sacrafice i'll compromise love is all i neeeeeeed(alright
yea yea yea)

But time waits for nobody i'm hoping love will find me
