Yeah, Valentin

(Chrous)

Baby when we make love and when we're done you
leave scratches over my body

???

You leave scratches

(on my back)

Scratches

(on my chest)

Scratches all over my body

Scratches

(on my back)

Scratches

(on my chest)

Scratches all over my body

I just love your white tips all in my brown skin

Scratch me shawty, we be makin' music

You be like my DJ, Bobby V on replay

Never get enough, never get enough the way you rock
my body

The way I rock yo' body

I'm gon' hold my breath, I'm going deep girl

It must feel good 'cause I can hear ya screamin

ooooh, ooh (8x) like

Baby when we make love and when we're done you
leave scratches over my body

???

You leave scratches

(on my back)

Scratches

(on my chest)

Scratches all over my body

Scratches

(on my back)

Scratches

(on my chest)

Scratches all over my body

I'm tryna spell my name in it

You tryna leave evidence
Girl know it's all good 'cause all that is irrelevant

I know how to handle it, you're dealing with an all pro
Tryna leave your initials all in my b-a-a-a-ck
I just love to do you, I'm working hard for you
Here kitty, kitty. Here kitty, kitty, ooooh
Here kitty, kitty. Won't you purr for me like
ooooh, ooh (8x) like

Baby when we make love and when we're done you
leave scratches over my body
???

You leave scratches
(on my back)
Scratches
(on my chest)
Scratches all over my body
Scratches
(on my back)
Scratches
(on my chest)
Scratches all over my body

Scratches on my body (7X)

Baby when we make love and when we're done you
leave scratches over my body
???

You leave scratches
(on my back)
Scratches
(on my chest)
Scratches all over my body
Scratches
(on my back)
Scratches
(on my chest)
Scratches all over my body (2X)

You leave scratches on my body, leave scratches all on
my body
You're scratchin all over my body, you're scratchin all
over my body
